MISCELLANEOUS

A scenic view of a coastal town built into a cliffside, with a harbor filled with boats and a large ship docked. The image is framed by a film strip border on the left side. The town is built into a steep, rocky cliffside, with buildings cascading down towards the water. The harbor is filled with numerous small boats, and a large ship is docked at a pier. The water is a deep blue, and the sky is a soft, hazy blue. The film strip border on the left side of the image is a white line with a series of small, empty square frames, suggesting a sequence of images or a film strip.
